

## 2. “50 and over” Catch-up Contribution

A participant age 50 or over (by the end of the calendar plan year) may defer additional amounts to the Plan as an additional “catch-up” contribution. For the 2016, the additional catch-up contribution is \$6,000. Please Note:

- If you are eligible to elect the Special Catch-up and the 50 and over Catch-up, the Special Catch-up contribution must be utilized first.

## 3. Special Catch-up Contribution

Special Catch-up Contributions are permitted if you have at least 15 years of service. Please see the plan document for details.

## Distributions

The law restricts the times when distributions are permitted from your accounts under the Plan. You may receive a distribution only if:

- You reach age 59 ½ and are working;
- Retire or Sever Employment\*;
- Die – your beneficiary will have a right to distribution;
- Become disabled.

\* = The IRS requires complete severance from the District upon retirement, which means that if you are rehired by the District after you have retired, you must stop receiving distributions from your account during the time you are employed by the District after retirement—unless you are age 59 ½ or over.

## Taxes and Penalties

You will be taxed on your Pretax accounts upon distribution. The IRS will also assess a 10% penalty for early withdrawal. In other words, your distribution will incur the penalty unless you:

- Are age 59 ½ and are working;

- Retire or sever employment at age 55 or later; or
- Die/become disabled.

## Hardship Withdrawals

The Plan does not permit hardship withdrawals to be taken from Participant accounts.

## Loans

The Plan does not permit loans to be taken from Participant accounts.

## Your Plan

The McFarland School District (the “District”) offers this 403(b) Plan to help you and other employees save money for your retirement. The 403(b) Plan is a type of tax-deferred retirement savings program. Future benefits from the 403(b) Plan will reflect the amount of a participant’s voluntary salary deferral contributions plus earnings. Vesting is immediate. Whether you choose to participate in the Plan is entirely up to you.

Although the Plan is offered by the District, the Plan is not established or maintained by the District for purposes of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Accordingly, the Plan and the District are not subject to ERISA.

## Tax Treatment

The District intends to ensure that the Plan is qualified for preferential tax treatment under Internal Revenue Code (“IRC”) §403(b).

**Pre-tax Deferrals.** Because you do not have to pay taxes on the amount you contribute to a 403(b) plan for the year in which you contribute to the plan, investing in a 403(b) plan can lower your overall tax burden—at least in the present. You can defer the income tax on your contributions until you begin making withdrawals from your account—typically when you retire. The earnings on your account also grow tax-free until withdrawal. Contributions to the 403(b) Plan are reported annually on your W-2 forms, but are not included in income subject to taxation. Your 403(b) contributions are deducted from your gross salary and income taxes are calculated on your remaining pay.

## Vendors

You can invest your deferral monies in a variety of different investment options. The Vendors through which the investment vehicles are available are approved by the District. You may only invest new deferral monies in those Vendors who have agreed by contract to conduct business with the District and the Plan. These Vendors are listed on the Approved Vendor List available from the District Office. Please Note: you will no longer be permitted to transfer assets to accounts of Vendors outside of the Plan; only those transfers received by District-Approved Vendors will be permitted.

## Participation

Every District employee is eligible to participate in the Plan, with the exception of (a) non-resident aliens, (b) those who do not have sufficient income to be eligible to contribute at least \$200 per year or (c) student employees/student teachers. To participate, you need only: (1) fill out a Salary Reduction Agreement and (2) select the investment desired from a variety of mutual funds, from the list of District approved vendors. Employees may change their salary reduction amount or cease contributions at any time.

## Salary Reduction Agreements

To participate in the Plan (or to change an existing contribution election), you must provide the District with a signed Salary Reduction Agreement. You must choose the whole dollar amount that you wish to contribute each payroll period. The Agreement must be signed by you and returned to the District before the start of the payroll period when your election or change will become effective.

**The District requires a copy of your investment agreement before the salary reduction can begin.**

## Contributions and Limitations

While you may choose how much of your salary you wish to contribute to the Plan, your contribution must comply with all of the following legal limitations:

### 1. Annual Deferral Limitation

The first limitation applies to all of your elective deferrals from your salary to this Plan. Elective deferrals are contributions that you make instead of receiving all of your pay at that time. The elective deferrals under this Plan are not considered in conjunction with deferrals you make under a 457(b) Plan.

For the 2016 tax year, all of your elective deferrals to this and all other plans (including 401(k) plans and other 403(b) plans) cannot exceed \$18,000 per calendar year (unless you qualify for one of the catch-up contributions described below). This limit will be adjusted annually thereafter by the IRS.
