2024-2025 SCHOOL YEAR:

NEW MEDICATION FORMS ARE REQUIRED EVERY SCHOOL YEAR

SCHOOL MEDICATION ADMINISTRATION: If you wish your child to have medication given at school, a medication consent form must be completed and returned to your child's school office prior to September 3rd, 2024. Both [Over the Counter](#) and [Prescription Medication Consent](#) forms are located on the MSD Health Service Website, [here](#). Additional forms are available in each school health office.

PRESCRIPTION MEDICATIONS: Each prescription medication (including Emergency Medications) kept at school require a NEW consent form signed by a parent/guardian and the prescribing health care provider. New forms can be dated September 3rd, 2024, through July 31st, 2025. *Prescription medication CAN NOT be given by Health Office staff until BOTH parent and MD signature is provided.*

OTC MEDICATIONS: Each health office stocks a supply of over-the-counter medications. During the beginning of the year the online registration process includes a detailed list of stocked medications and an opportunity for parents to grant consent. No medication will be administered without proper online or written consent from a parent/guardian.

ORIGINAL CONTAINERS ONLY!

ALL PRESCRIPTION MEDICATION MUST BE PROVIDED IN THE ORIGINAL, LABELED CONTAINER

We cannot accept medication brought to school in bags or envelopes - only the original container.
