2018-2019 McFarland K-5 Afterschool

Dear Parents and Guardians,

Welcome and thank you for choosing the YMCA of Dane County -McFarland K-5 Afterschool this year! We are excited to begin a new school year with your family. We have tons of fun activities planned and cannot wait to see what adventures this school year brings us!

Location

We will be located in the cafeteria at Conrad Elvehjem Primary School.

Important Reminders

- All registrations are completed online, please visit our website www.ymcadanecounty.org to complete your registration.
- A registration fee of \$25 is due at the time of registration for each child.
- Enrollment is a minimum 3 days per week attendance.
- Cancellations may only be made in writing at least 14-days (2 weeks). This notice of termination will end your enrollment as of the start of the next month, thus removing your responsibility to pay for that next month of care.
- A parent/guardian must contact afterschool when their child will be absent. This can be done by speaking to a staff in person in advance at site or by leaving a message in the family communication binder on the family table. The parent/guardian will be responsible to pay fines for not contacting site to report an absence. Fines are also assessed for pick up later than 6:00pm.
- No fee adjustments are made for absences.
