- Early learning program supported by the Wisconsin Department of Public Instruction (DPI)
- All classes are taught by a Wisconsin Department of Public Instruction Pre-Kindergarten certified teacher.
- Tuition-free
- Community-based approach to 4K, meaning children are taught in collaborating sites.
- Partner sites offer extended childcare.
- Parents are responsible for childcare costs beyond the 4K program.

Who is eligible to attend?

- Children residing within the McFarland School District who **turn 4 on or before September 1, 2024.**
- There are **NO** early admissions.
- It is a one-year program and students participate the year immediately preceding kindergarten.
- The McFarland School District's policy is that we do not retain students to repeat 4K. In fact, kindergarten teachers are trained and prepared to meet all incoming kindergarten students where they are at!
- Open Enrollment has limited availability (13 spots) for the 2024-2025 school year.

Benefits of a Community-Based 4K Program

- Works collaboratively with childcare providers
- Builds relationships and improves coordination with private preschools and childcare facilities
- Improves and maintains high quality of childcare/preschool settings
- Meets the needs of working families in a more coordinated way

How do I register my child for 4K?

- **Online Registration System (OLR)** opened 2/6. Go to www.mcfarland.k12.wi.us to get started
- Parents will indicate **1st, 2nd, 3rd and 4th location/time preferences** as part of the online process
- Parents will indicate **transportation** needs- Busing is available for both AM & PM sessions. Bus Information will be on school district website late May/early June.
- OLR should be completed by **April 12 (to be included in the 4/15 placement email)**. **If after 4/12, you'll find out placement within two weeks. If a resident, can enroll anytime.**
- You will know location of placement (site and time) on **April 15th- Emails will be sent by Emily**
- No 4K fees or August online registration (both start in Kindergarten). *Optional yearbook fee can be paid via Infinite Campus or cash/check to McFarland PTO

How does the placement process work?

1. All completed registration materials (including proof of residency & birth certificate) must be done online or returned to Emily.
2. Students who receive district services such as special education, English Language Learner support, or speech and language therapies receive preferential placement.
3. DEPENDENT on space, children who are currently enrolled in preschool/childcare at one of our collaborating sites (CLM, GBH or LS) will receive preferential placement if they choose that location for 4K.
4. Factors such as gender, transportation, balanced enrollment in AM and PM classes, and location requests are considered.
5. McFarland School District is responsible for all placement decisions.

Transportation

- Families can provide transportation to/from 4K
- Bus Transportation will be provided in the AM & PM programs. Bus details for 24-25 will be on the website in May/June
- Will log into Stopfinder for bus routes/times- late August

Mark your Calendars- District Wide Picture Days- 8/28 OR 8/29 at MHS Cafeteria

***First Day of 4K, Wednesday, 9/4**

Teachers will email summer newsletters in mid August. Sneak-A-Peek nights (meet the teacher/supply drop off) will be included as well
