Fabu

Fabu Carter Mogaka was named Madison's third Poet Laureate in 2008. She began writing at the age of eleven. Her first poetry book for children, *Poems, Dreams and Roses*, was published in 2009.

Experience the Power of Poetry at this community event for all ages! Hear live poetry readings and recitations - and consider stepping up to the mic to read a poem - your own or a favorite by another poet. Each speaker will receive a certificate signed by Fabu, our Guest MC.

Students, submit an original poem to your classroom teacher by Tuesday, April 5. It will be included in the Open Mic Poetry Anthology, and you will receive a copy.
