

8th Grade
Recognition Night
Permission Slip

The 8th Grade Recognition Night is scheduled for **Monday, June 7, 2010**. Parents are invited to attend a program honoring the students from 7:00 to 8:00. Following the program, from approximately 8:00 to 10:00, the Parent School Council (PSC) is sponsoring a party and dance with light refreshments for the students. Attire suitable for a school concert is appropriate for the evening. We want all students to feel comfortable and appreciate your support in keeping this event tasteful and not too formal.

The PSC is requesting \$12.00 per student to cover the cost of Recognition Night festivities. Every student is encouraged to attend this celebration, so if this is a hardship, please return the form without the fee, and we will be glad to help. If you are able to assist another family with this cost, a donation of any amount is appreciated.

Please fill out the information below and return it and your check (checks payable to PSC) by Friday, May 21 to the Indian Mound Middle School office or send your form and check to:
