

Remembering Bonnie

Bonnie Frisch was a reading teacher on the Primary School Campus for 19 years. In September, Bonnie lost her long battle with cancer. Throughout her illness, Bonnie modeled a positive, never give up attitude. She is greatly missed.

Bonnie showed her love of children, reading and books as a dedicated reading teacher for many years. We would like to continue her legacy by establishing a memorial in her name.

This memorial would be used to support young readers through specialized programming or books, and/or to establish a scholarship for a high school senior entering the field of Elementary Education. We are asking people who have been touched by Bonnie's devotion to students and the community to help us establish this memorial with cash donations.

Donations of any amount would be greatly appreciated. All money raised would go directly to supporting young learners. Donations can be sent to the Primary School Office or the CEELC Office. Checks can be made out to McFarland Education Foundation. Please label envelopes "Bonnie's Fund." We ask that donations be sent by October 31st.

Thanks so much for helping to continue Bonnie's work.
