Logging In

The easiest way to log in is to Sign-In with Google

- Sign into your district Google Apps Account
- Open an new tab and go to <https://app.4schools.net/client/index.cfm?memberid=742>
- Click the red button at the bottom:

The first time you login you may get this message below....click 'Accept'

Once you have logged in successfully you should see a screen similar to this:

If you get one like this, just click the CMS4Schools login in the middle of the page.

Once you have logged in this way, you can change your password under 'Edit My Profile' and then just use that password along with your network username instead of using Google Sign-In. This is not required.

Using a Template to Get Started

A basic template has been created to get you started creating your website. Follow these steps once logged in:

Click 'My Home Page' on the left-side of your screen

The screenshot shows the McFarland School District website. At the top, there is a navigation bar with links for HOME, DISTRICT, SCHOOLS, FAMILIES, COMMUNITY, and CONTACT US. Below this, the user is logged in as Patricia Fortune. The main content area is titled "Faculty Pages Administration" and includes the text "You are currently logged in." On the left sidebar, there is a list of links: Logged in as Patricia Fortune, Log Out, Back to 4Schools, Edit My Profile, My Home Page (circled in red), Faculty Admin Home, My Navigation Builder Home, My Calendar Admin, My Homework Admin, My File Uploads, Faculty Help Manual, and Log Out.

Click 'From Template'

The screenshot shows the Patricia Fortune user interface. At the top, there is a navigation bar with links for HOME, DISTRICT, SCHOOLS, FAMILIES, COMMUNITY, and CONTACT US. Below this, the user is logged in as Patricia Fortune. The main content area is titled "Patricia Fortune" and includes a navigation builder with links for Navigation Builder, Main Body, Right Side Bar, and From Template (circled in red). Below the navigation builder, there is a section for "Main Body:" with a form to add tools to the page. The form includes a dropdown menu for "Text/Graphic Editor", a dropdown menu for "Place at top of page", and an "Add" button.

From the drop-down, select 'Teacher Web Page Template' then click 'Continue'

The screenshot shows the "Copy From the Content Template Library" page. At the top, there is a navigation bar with links for HOME, DISTRICT, SCHOOLS, FAMILIES, COMMUNITY, and CONTACT US. Below this, the user is logged in as Patricia Fortune. The main content area is titled "Copy From the Content Template Library" and includes the text "Patricia Fortune". Below this, there is a navigation builder with links for Navigation Builder, Main Body, Right Side Bar, and From Template. Below the navigation builder, there is a section for "Select a page to copy content from" with a dropdown menu. The dropdown menu is open, showing a list of templates: Sports Template Right Side, Interior Page, StudentServicesTemplate, Sport, SportsHS, WSD Watermark, and Teacher Web Page Template (circled in red). To the right of the dropdown menu is a "Continue" button (circled in red).

Check the box labelled '+1. Text/Graphic Editor' and click 'Copy'

Name that will appear on the left-hand side menu when your website is displayed. For example: Chemistry.

If you set this to 'Inactive' your page will not display until you change it to 'Active'

This tells it what order to put your pages in

This allows you to have sub levels of web pages

Choose: Link to a page you are creating or to an outside 'Web site'. Internal will require you to give specify a new 'File Name'.

You can actually tell it when to make your page Active/Inactive.

Modifying Pages

To modify existing pages, Click on 'My Navigation Builder Home' on your left-side menu.

File Upload

Use the **My File Upload** to upload a file to the web site in order to link to it – either a document or image

When you open the **My File Upload** area you will see a group of folders. Open the folder that you would like to place the file in.

You can create a folder **within the current folder** by clicking this

This shows you the folder you are currently in

You can add up to 10 files at a time indicating the 'Add' number then clicking

Click on folder name to open folder

Once a file is uploaded, click the **i** to the left of the file name and copy the URL listed below
