Logging In

The easiest way to log in is to Sign-In with Google

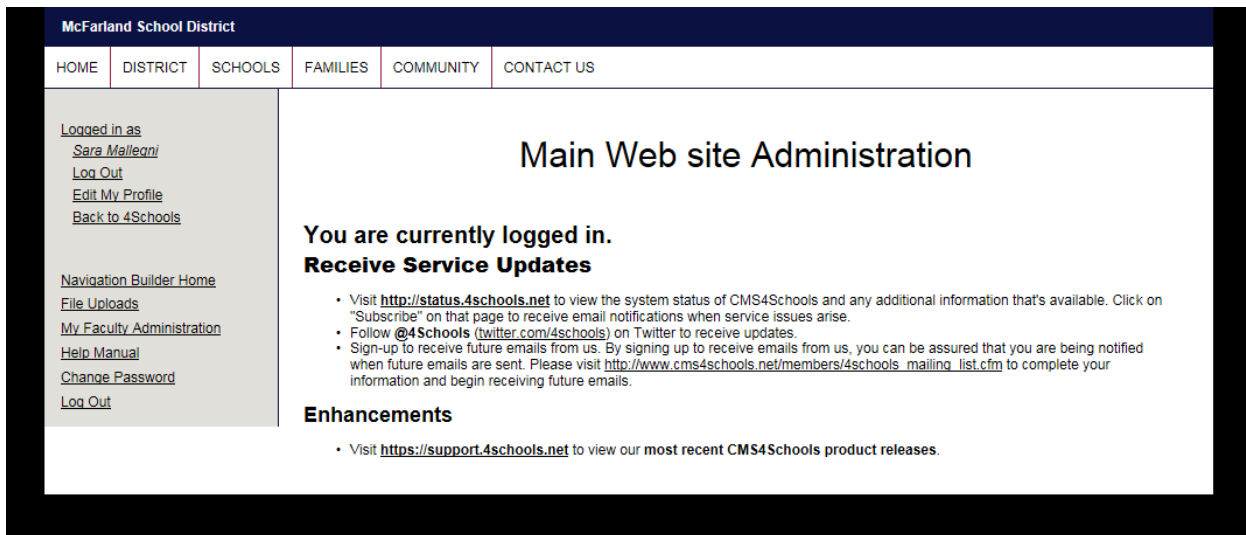

- Sign into your district Google Apps Account
- Open an new tab and go to <https://app.4schools.net/client/index.cfm?memberid=742>
- Click the red button at the bottom:

A red button with a white Google 'G' logo and the text 'Sign In with Google' in white.

The first time you login you may get this message below....click 'Accept'

Once you have logged in successfully you should see a screen similar to this:

A screenshot of a web application interface. At the top, there is a dark blue header with the text 'McFarland School District'. Below the header is a navigation menu with links: HOME, DISTRICT, SCHOOLS, FAMILIES, COMMUNITY, CONTACT US. On the left side, there is a sidebar with the text 'Logged in as Sara Malleoni' and several links: Log Out, Edit My Profile, Back to 4Schools, Navigation Builder Home, File Uploads, My Faculty Administration, Help Manual, Change Password, Log Out. The main content area has the title 'Main Web site Administration' and a message: 'You are currently logged in. Receive Service Updates'. Below this message is a list of bullet points: 'Visit http://status.4schools.net to view the system status of CMS4Schools and any additional information that's available. Click on "Subscribe" on that page to receive email notifications when service issues arise.', 'Follow @4Schools (twitter.com/4schools) on Twitter to receive updates.', 'Sign-up to receive future emails from us. By signing up to receive emails from us, you can be assured that you are being notified when future emails are sent. Please visit http://www.cms4schools.net/members/4schools_mailing_list.cfm to complete your information and begin receiving future emails.' Below the list is a section titled 'Enhancements' with a bullet point: 'Visit https://support.4schools.net to view our most recent CMS4Schools product releases.'

Once you have logged in this way, you can change your password under 'Edit My Profile' and then just use that password along with your network username instead of using Google Sign-In or you can just always login with the Google Sign In.

File Upload

Use the File Upload to upload a file to the web site in order to link to it – either a document or image

When you open the File Upload area you will see a group of folders. Open the folder that you would like to place the file in.

You can create a folder **within the current folder** by clicking this

This shows you the folder you are currently in

Formatting toolbars

Enter your contact information along with your personal message. If you have an external website you can put a link to that in this area as well

Text:

The screenshot shows the 'Text' editor interface. At the top is a toolbar with various icons for text formatting (bold, italic, underline, text color, background color, bulleted list, numbered list, indent, outdent, link, unlink, undo, redo) and a 'Source' view toggle. Below the toolbar are dropdown menus for 'Styles', 'Format', 'Font', and 'Size', along with color pickers. The main text area contains the following text: 'Contact Information', 'Email:', 'Phone:', and 'Replace this text with your personal information/message....'

If you would like to include a picture you can quickly do it by using this area.

You can even link your picture to another web page or web site using the Link Graphic To box.
