

## 2020-2021 SCHOOL NUTRITION LETTER

Dear Parents and Guardians,

Just as schools are making changes to educating your children, we are making changes to our food service program due to Covid-19. We will again offer curbside pickup of breakfasts and lunches to district students. However, there are some important changes to this program.

**USDA did not approve free meals for all community children for the upcoming school year.**

This means families will need to pay for meals ordered according to your meal status with the district. We encourage you to fill out a free and reduced meal application if your financial information has changed in the last year. All information remains confidential. You can find those applications here: <https://www.mcfarland.k12.wi.us/district/Dept-SchoolNutrition.cfm#FreeReduced>

**\*PLEASE FILL OUT OUR SURVEY\* so that we may plan with more accuracy.**

Meal prices are as follows:

Lunch prices:	Breakfast prices:
K-5 \$2.80	\$1.75
6-8 \$2.95	\$1.75
9-12 \$3.15	\$1.75
Reduced \$0.40	\$0.30
Adults \$4.00	\$2.25

Families will have to sign up in advance for meals on our website: [www.mcfarland.k12.wi.us](http://www.mcfarland.k12.wi.us) by **6 am the day of meal pick up**. When signing up for lunches you will have the choice of a hot entrée or a cold, ready to eat meal (subs, wraps, salads, etc.). You will also have a choice of milk. This will be subject to change when the district moves to a hybrid system. You must sign up or a meal will not be available for you at pick up. Conversely if you sign up for a meal but don't pick it up your account will be charged. **Meal pick up will be available daily at Waubesa Intermediate School from 12:00-12:30 and McFarland High School from 12:30 -1:00**. You will indicate your pick up site on the google doc sign up form.

All lunches include an entrée, ½ cup fruit, ½ cup vegetable and 8 oz. milk carton. Breakfasts include an entrée, ½ cup juice, ½ cup fruit, and 8 oz. milk. Adults may also purchase meals from us as well – the same meal as your student or a large “daily special” salad. Check our online menus for specific meal choices. <https://www.mcfarland.k12.wi.us/district/Dept-SchoolNutrition-Menus.cfm>

We look forward to serving our students tasty, healthy meals in the new school year!
