END OF SCHOOL YEAR INFORMATION

END OF YEAR MEDICATION PICK UP

ALL MEDICATION (INCLUDING EMERGENCY MEDS) stored in school health offices must be retrieved by a parent or guardian by **3:30pm on Tuesday, June 9th**. If you are unable to pick up before this date, please notify your students health office and Sadie Frank, WIS Health Assistant (608)838-4673, FrankS@mcfsd.org to arrange pick up during summer school hours. Medications not claimed by **Thursday, July 16th** (last day of summer school) will be disposed of.
Please complete and return the attached ***Medication Release Form*** with your signature indicating how you would like to retrieve your students medication. Thank you for your cooperation.

IS YOUR CHILD ATTENDING SUMMER SPA (Speed, Power, Acceleration) CLASS?
GRADES 7-12 LOCATION: MHS

See information and registration details here. SPA is not staffed by health service personnel. Designated staff are responsible for student medication, treatments, and first aid during this time. The health office will notify staff of students with health conditions listed in IC but please ensure you are communicating all *Emergency Health Conditions and Emergency Medications* (& their location) to your teacher on the first day of class. For further questions and information about the SPA training program please contact Ryan Rothwell at rothwer@mcfsd.org.

2026-27 SCHOOL YEAR:
NEW MEDICATION FORMS ARE REQUIRED EVERY SCHOOL YEAR

SCHOOL MEDICATION ADMINISTRATION: If you need your child to have medication given at school, a medication consent form must be completed and returned to your child's school health office by the first day of school ***Tuesday, September 1st***. Both Over the Counter and Prescription Medication Consent forms are located on the MSD Health Service Website, here. Additional forms are available in each school health office.

PRESCRIPTION MEDICATIONS: Each prescription medication (including Emergency Medications) kept at school requires a NEW consent form signed by a parent/guardian and the prescribing health care provider each school year. New forms can be dated September 1st, 2026 through July 31st, 2027. *Prescription medication CAN NOT be given by Health Office staff until BOTH parent and MD signature is provided.*

OTC MEDICATIONS: Each health office stocks a small supply of over-the-counter medications. During the beginning of the year the online registration process includes a detailed list of stocked medications and an opportunity for parents to grant consent. No medication will be administered without proper online or written consent from a parent/guardian.

ORIGINAL CONTAINERS ONLY!
ALL PRESCRIPTION MEDICATION MUST BE PROVIDED IN THE ORIGINAL, LABELED CONTAINER
We cannot accept medication brought to school in bags or envelopes - only the original container.

Please reach out to your school health office with any questions.
Have a fun, happy & healthy summer! ☀️
