

State Testing Opt-Out Form McFarland School District

McFarland School District fully supports parents' / guardians' right to opt their student(s) out of state testing under Wis. Stats. 118.30(2)(b)3 and our first priority is the best interest of your student. However, parent opt-out requests can and do have an impact on school and district report cards because these students are considered "not tested."

We believe that these tests give our Schools and District valuable information about how we are doing meeting the needs of all of our students and give us an additional data point to add to the assessments given in your student's classes that let us know how students are performing relative to State Standards, their previous years' scores and students across the State.

If you would like to opt your student out of State testing, this waiver form must be completed and turned into the building principal no later than three days prior to the date on which the test is scheduled.
