Notes:

- Most **black bolded** items are links. If a person's name is bolded black, clicking on it will usually take you to their profile that contains contact information.
- To return to the main district webpage, click 'McFarland School District' at the top of the page.
- You can access the 'Schools', 'Important Links' and 'Main Menu' in the upper right-hand corner of an internal page.
- You can perform a Search at the bottom of any page in the spot labelled "I'm looking for"

McFarland School District Website Guide

Personal Devices

Viewing the new website on your personal device will look different from a computer, but all the same items are there. Instead of having your screen divided into a left-hand navigation menu, a center content area and a right-side widget area, you will have one long column of information.

- The left-hand navigational links from the desktop version are found in the 'Category Menu' above the main content.
- Main page content displays immediately under the Category Menu
- Any right-hand widgets such as calendars, important info, etc, will follow the main page content as you scroll down.

The screenshot shows the mobile version of the McFarland School District website. At the top, a dark blue header contains the text 'MCFARLAND SCHOOL DISTRICT' and two navigation links: 'SCHOOLS' and 'IMPORTANT LINKS'. Below this is a white bar with 'WAUBESA INTERMEDIATE (3-5)' on the left and 'MAIN MENU' with a hamburger icon on the right. A red arrow points to the 'MAIN MENU' with the text 'Main Site Menu'. Another red arrow points to the 'SCHOOLS' link with the text 'Link to school webpages'. A third red arrow points to the 'IMPORTANT LINKS' area with the text 'Often used links: Canvas, IC, lunch menus, calendar, staff directory'. Below the header is a large image of a school building. Underneath the image, the text 'Waubesa Intermediate School' is displayed in a large, dark blue font, followed by 'WAUBESA INTERMEDIATE (3-5)' and a downward arrow. Below this is a 'CATEGORY MENU' with a hamburger icon, which is highlighted with a red box. A red arrow points to this box with the text 'Navigational Menu for current school/section (What you would see on the left-side menu on a desktop view.)'. To the right of the 'CATEGORY MENU' is a red 'Very Important' sign. Below the sign, the text '+ Reporting an Absence/Late Arrival/Early Pickup' is visible. Further down, a blue circle is followed by the word 'Welcome'. At the bottom, a white box with a black border contains the text: 'We proudly serve approximately 525 students in grade 3-5 and are grateful to have the opportunity to work alongside each student and their family to help everyone reach their greatest'.
