Quick Start Guide

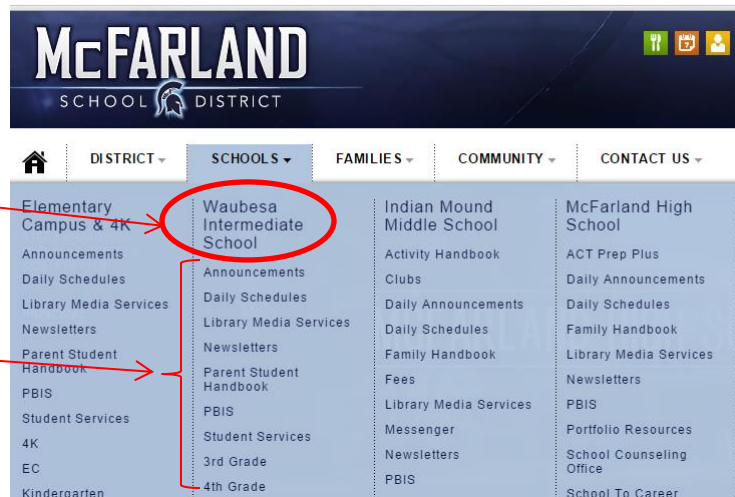

Handy 'hot buttons' always located in upper right-hand corner

Top Mega-Menu always stays the same, no matter where you are on the site!

Detailed information for each campus can be reached from the SCHOOLS tab on Mega-Menu

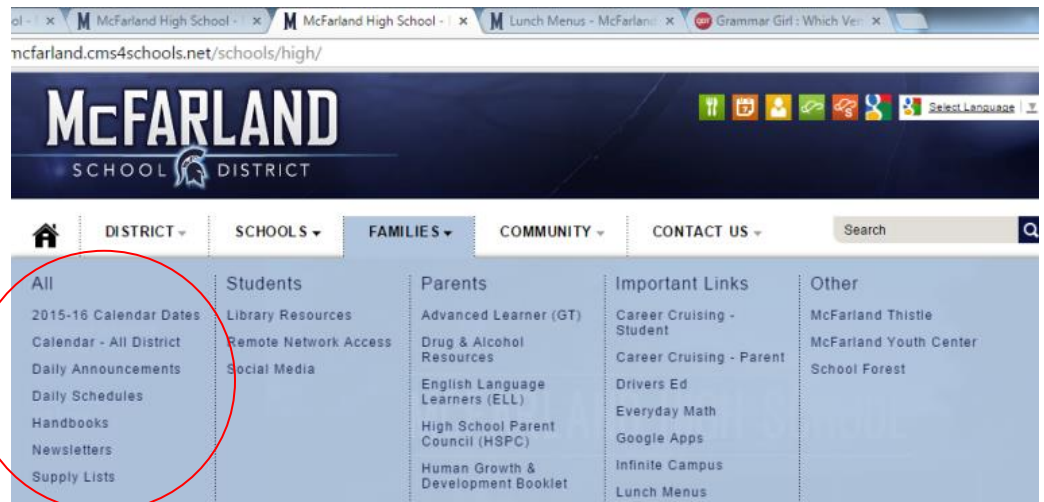

Click on school's name to access their main page

OR

select a specific item from the menu

We've also provided a central location under our FAMILIES section to view information for all schools such as Announcements, Newsletters and Supply Lists

The main page for each school contains a mini school calendar, a Quick Links section and a view of Upcoming Events ★★★

The screenshot shows the main page for Indian Mound Middle School. On the left is a vertical navigation menu. The main content area features the school's logo, "WE ARE SPARTANS", and a profile picture of a man. On the right side, there is a "Follow Us..." section with social media icons for Facebook and Twitter. Below that is an "IMMS Calendar" widget showing a calendar for July 2015, and a "Quick Links" section with various links like "Assignment Task List" and "BYOD Agreement". At the bottom right is an "Upcoming Events" section. Red stars are placed next to the "IMMS Calendar", "Quick Links", and "Upcoming Events" sections.

The District Calendar allows you to use RSS or iCal to sync your RSS reader, personal calendar or phone to one or more district calendar categories. For example, you could have the HS Football calendar automatically sync to your smart phone so you never miss a game! You can also save and or print calendars with the categories you select!
