Academic & Intellectual

[Wisconsin Center for Academically Talented Youth wcaty.wisc.edu](http://wcaty.wisc.edu)

Application Opens: January 3 Financial Aid Deadline: April 10th Application Deadline: April 30

-  **Growing Early Minds** For Students completing grades 1 - 4
Who? Students completing 1st - 4th grades
What? Day Academic program
Where? UW-Madison Campus, Madison, WI
When? June 15 - 19; - July 12, 2020 8:30 – 4:30
Why? Explore current interests and passions with like-minded peers. Programs in Coding, Literature & Arts, Electrical Engineering, Mayor Madness, Intro to Forensic Science, Human Anatomy, Math, Engineering.
-  **Preparatory Academic Campus Experience (PACE)** For students completing grades 5-8
Who? Students completing 5th - 8th grades
What? Day Academic program
Where? UW-Madison Campus, Madison, WI
When? July 13- July 17, 2020 8:30 – 4:30
Why? Explore current interests and passions with like-minded peers. Biotechnology, Electrical Engineering, Exploring the Brain, Express Yourself, Human Anatomy and more!
-  **Summer Transitional Enrichment Program (STEP)** - For students completing grades 7-8
Who? Students completing 7th -8th grades
What? Residential Academic summer program; 50 hours of instructional time
Where? UW-Madison
When? July 26- August 8, 2020
Why? Challenging curriculum, high rigor, educational enrichment, head start on high school and beyond. Programs include Robotics, Engineering, Veterinary Science, Forensic Science, Game Design and more!
-  **Accelerated Learning Program (ALP)** - For students completing grades 9 -12. Earn one high school credit in three intensive weeks. Requires qualifying test score.
Who? Students completing 9th -12th grades
What? Academic summer camp for residential and commuter students; 105 hours of college level challenge. Potential high school credit with school approval
Where? University of Wisconsin-Madison
When? July 5 - 25, 2020
Why? Intellectual challenge, rigorous curriculum, dedicated teachers, lasting friendships with academic peers; high school credit available with pre-approval. Courses in Psychology, Computer Science, Economics & Society, Engineering, Forensic Science, Human Body & Disease, Critical reasoning, & More

Your student can learn how to program robots, apps, or websites, and explore computer science fundamentals. Check out our classes below! Scholarships are available, for more information email hello@maydm.org **Camp Invention** Entering Grades 1 through 6 <http://www.campinvention.org/> Locations nearby: http://inventnow-web.ungerboeck.com/programsearch/program_map.aspx Madison, Middleton, Monona, Oregon, Sun Prairie, DeForest, Verona, Waunakee

UW-Whitewater Programs

Grandchildren's University June 26-27, 2020 For grandchildren ages 7 - 14

<http://www.uww.edu/ce/camps/additional/gcu> Join us this summer at our Grandchildren's University on the beautiful UW-Whitewater campus. Our intergenerational camp allows an opportunity for grandparents and their grandchildren to share a learning experience from some of Whitewater's most dynamic professors. It is a great way for grandparents and grandchildren to create memories, while staying in our newest residence hall and studying side by side.

Upward Bound <https://www.uww.edu/precollege/programs/upward-bound> For students in grades 9 and 10

For those interested in pursuing higher education through a technical or four-year college degree--especially those who are first generation or low income.

ACT Prep <https://www.uww.edu/precollege/programs/summer-academic-camps/act-preparation-camp>

Students entering 10 - 12 grades. Includes workshops in personal and professional development; Regional college visits, test taking strategies.

CyberHigh is an overnight camp designed for incoming 9th - 12th grade girls. During this two-day camp, campers will use technology to solve real world problems encountered in the business, music, and science world. Learning activities will be supervised by a combination of UW-Whitewater students, staff, and IT industry professionals. Participants will also partake in recreational activities on campus. When: 8 a.m. July 9 & 10. Cost: \$95 - Scholarships available to those with financial need

ICE

Institute for Chemical Education

[Summer Chemistry Camps](#) <http://ice.chem.wisc.edu/camps>

- Entering Grades 5 -8
- Fun with Chemistry: June 15 - 19 1:00 - 4:15 PM
- Fun with Inventions Camp: June 22 - 26 1:00 - 4:15 PM
- Fun with Forensics Chemistry Camp: July 6 - 10 1:00 - 4:15 PM
- Fun with Engineering Camp July 13 - 17 1:00 - 4:15 PM

- **Camp Biotech I: The Wonders of DNA**
 - Dates: Monday, July 6 - 10, 2020 9am-3:30pm
 - Cost: \$380 (included all materials; lunch and snacks; scholarships are available)
 - Want to know how scientists can determine who committed a crime from just a small blood sample or how genetic mutants might be made? You can satisfy your curiosity about these questions and more by attending CAMP
 - This one week experience at the BTC Institute is for students entering 9th or 10th grade in fall semester 2019 who are interested learning more about DNA and genetic engineering. Students will build a DNA model, learn how to extract DNA from cells, transfer DNA into cells by heat shock transformation, amplify DNA to detect small quantities by PCR, and use restriction enzymes to identify DNA sequences. No prior DNA knowledge is necessary.
- **Camp BioTech Two: The Return of DNA** July 6 - July 10, 2020 9:00 – 3:30. For students entering Grade 10 who have taken biology and are interested in learning more about DNA and genetic engineering.
https://www.btc.org/k12/cb/camp_biotech.html
- **Youth Apprenticeship Program in Biotechnology – Dane county**

The apprentices spend approximately half of their day attending high school classes and half their day at their worksite. In addition, they are enrolled in a specialized lab course taught weekly at the BTC.

<https://www.btc.org/k-12-programs/youth-apprenticeship-program/>
- **A Celebration of Life - XXI** <https://www.btc.org/k-12-programs/a-celebration-of-life-summer-sessions/>
 - To the Moon and Beyond: June 15-26, 2020 Students entering grades 4 – 5
 - To the Moon and Beyond: July 6 - July 17, 2020; Students entering grades 6 – 8

Dane County School

CONSORTIUM

[Youth Apprenticeship Programs](#)

Programs integrate school-based and work-based learning for junior or senior high school students. Variety of areas including STEM careers, health professions,

Milwaukee School of Engineering Summer Programs

<https://www.msoe.edu/academics/high-school-programs/summer-programs-at-msoe/>

In the month of July, MSOE offers week-long, residential, academic camps for students who have completed their freshman, sophomore or junior year and are interested in exploring degrees in Engineering, Nursing or Business. 2020 Summer Programs run the week of July 5-10, July 19 - 24 and July 26 - 31.

- [Women in Engineering](#) Girls entering 10th - 12th grades June 21 - 26, 2020
- [Explore Summer Programs](#) High School Focus; same content as Women in Engineering; Three sessions: July 5-10; July 19-24 & July 26-31
- [Focus Summer Programs](#) July 5 - 10; [BioMolecular Engineering](#); [Business](#); [Nursing](#); [User Experience Design](#).
