

# McFarland High School Mission Statement and Goals

McFarland High School believes all students are intelligent, creative, and capable of growing and learning. We are committed to providing a personal and engaging high school experience by:

- Recognizing that curiosity, imagination and joy are invaluable to personal and learning progress.
- Encouraging perseverance, critical thinking, and self-advocacy.
- Offering challenging and dynamic curricula.
- Nurturing the unique individual abilities of each student.
- Providing meaningful and relevant opportunities that foster a love for learning.
- Committing to help students become intellectually, physically, and emotionally fit.
- Preparing our students to become global citizens in a diverse and changing world.
