Student Parking Permits

Student parking at MHS is by permit only and parking stalls are allocated as follows:

- Parking lot permits are issued twice during the school year.
 - August (valid Semester 1)
 - January (valid Semester 2)
- Students may purchase a permit in accordance with the following criteria:
 1. Seniors with no unexcused absences for the previous semester.
 2. Any remaining available stalls will be put into a lottery drawing for Juniors. Eligible Juniors will not have any unexcused absences for the previous semester and will need to register in the main office for the drawing.

Students who have questions regarding their number of unexcused absences may inquire in the MHS Office. Parking permits are \$25.00 per semester. Seniors meeting the criteria may purchase permits online on a "first-come-first-serve" basis. Specific information regarding online sign-up will be sent to students and parents via Infinite Campus.

Student Accident Insurance

The McFarland School District **does not provide any type of health or accident insurance for injuries incurred by your child at school or related to co-curricular activities such as sports.** As a service to students and their families, our school is making available a student accident insurance plan for your child at a very nominal cost through **FIRST AGENCY, INC.**

To purchase coverage:

Please see the following website:

School Nutrition...

Welcome back McFarland students & parents!

The McFarland School District believes that a healthy, well-nourished, active child is better prepared to learn. We provide nutritious, great tasting food to help your child accomplish this. Complete school nutrition information and menus are available at www.mcfarland.nutrislice.com and on the district website at www.mcfarland.k12.wi.us.

Start your day off right with a healthy breakfast! Breakfast is available every day for all students. Students who eat breakfast have shown to perform better in the classroom. Have your student fuel up with a healthy school breakfast for \$1.75; reduced breakfast is \$0.30 and free breakfast is available for those who qualify.

Our **Garden Bars** provide a variety of fruits and vegetables giving our students great choices to promote healthy eating habits and benefits that stay with them long after the school day ends. Garden Bars (salad bars) are available daily at all of our schools and offer fresh fruits and vegetables on a rotating basis. We also offer freshly roasted vegetables at least once a week.

Infinite Campus Parent Portal provides families with the ability to view school meal information via the internet. Here you are able to see your student's lunch account activity and balance along with making online payments. Your Infinite Campus login is the same one used in previous years; if you are new to the district your activation code will be mailed to you. It is very important that each family is aware of their lunch account balance. Remember this is a pre-pay system, not a charge account.

A la Carte items are available at the High School and Middle School. Please see the district website for pricing. These items are only available if you have a positive balance in your meal account. Please be aware that A la Carte purchases are **not** covered under the Free & Reduced lunch program.

Free & Reduced Meals – Free & Reduced applications are available online and at every school. We encourage those who think they might qualify to apply! **A new free & reduced application must be completed and sent in each year, even if you qualified in previous years.**

We offer field trip lunches! Look for order forms this year with field trip permission forms. Please let your teacher know if you will need a lunch. Our bag lunches include a choice of sandwich, fresh fruit and vegetables, milk and a treat.

Meal & Milk Prices are provided below. Milk is included in all meals. Additional milk and morning milk at the elementary schools is also available.

Grade	Lunch Price	Reduced Lunch	Breakfast Price	Reduced Breakfast
K-5	\$2.80	\$0.40	\$1.75	\$0.30
6-8	\$2.95	\$0.40	\$1.75	\$0.30
9-12	\$3.15	\$0.40	\$1.75	\$0.30
Adult	\$3.75		\$2.25	
Milk	\$0.40		\$0.40	

Unpaid Meals Policy

Parents/guardians will receive emails on Mondays and Fridays when the account balance drops below \$10.00. Students are also notified in the lunch line when their accounts are low. We ask that you send in funds for the account when you receive the email so that we may continue to feed your child without interruption.

If an account reaches -\$10.00 you will receive a letter, a phone call and an email asking for payment. If payment is not received after one week, you will receive a second letter, phone call and email. If no payment is received after 3 days of the second notification we will deactivate the account and lunch will need to be brought from home. The Principal and/or School Counselor will be contacted at that time to make them aware of the situation. Meal accounts travel with students and balances carryover from year to year.

If you have any questions regarding School Nutrition accounts, please call **838-4521**. We look forward to welcoming your children to the cafeteria this fall!
